ITEM FOR THE DIRECTOR'S LOG

Draft Administrative Agreement Between the United States of America and Japan

In connection with your memorandum of 22 January 1952 on the above subject to the Secretary of State, I report that on the evening of 22 January I received a call from Mr. Armstrong's office in State transmitting the information that the President had decided in favor of the Defense draft of the Article on Criminal Jurisdiction for the Open Administrative Agreement with Japan.

It is my understanding also that this will be brought into line with the NATO agreement when it is concluded.
